Annalisa Rellie, Rudolf Abraham : Montenegro (Bradt Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Montenegro (Bradt Travel Guide):

I usually enjoy flipping though guidebooks, but this was not laid out in a manner that made it easy or fun. I'm sure there's some very valuable information contained within, but I wasn't willing

to hunt it down especially after reading the list of outdated items you should pack.0 of 0 people found the following review helpful. Incredibly detailed, contains references to historical sites that don't appear on downloadable maps or in the Lonely Planet. The text can be dense, but we found it quite helpful.0 of 0 people found the following review helpful. Invaluable assetBy Emily HarkinsI used this guide book back when it was the ONLY guide book for Montenegro. It's charming and the advice about the country is spot on.

This thoroughly updated new edition of the much praised Bradt guide to Montenegro includes information on bird watching, national parks, and cycling, including the new European Bed and Bike Network. Montenegro is one of the hidden corners of Eastern Europe, with a people who are almost overwhelmingly friendly to visitors who express an interest in exploring and learning about their country. No surprise then that the country is one of the top destinations in Europe. So struck was the author by Montenegro when she first visited in 2000 that instead of writing the commissioned 1,000-word article for a magazine, she wrote the Bradt guide instead!

Recommended reading by Which? TravelAbout the AuthorAnnalisa Rellie was a freelance travel and food writer and the author of the original Bradt guide to Montenegro, which is now into this 5th edition. She worked on all subsequent editions before her death in 2014 and had a particular passion for Crna Gora (the 'Black Mountain'). This edition has been updated by Rudolf Abraham, an award-winning travel writer and photographer who specializes in Eastern Europe.
