**Vladimir Dulovic : Montenegro in Your Hands** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Montenegro in Your Hands:

Montenegro, with its majestic mountains, astonishing beaches and intriguing history, is a land packed with contradiction and mystery. This in-depth guide will broaden your travel experience, whether you want to unlock the secrets of Montenegro's colourful history or just find the best beaches and coves. "Montenegro in Your Hands" is written by an expert on the region, its history, its art and architecture, who has travelled the length and breadth of Montenegro to bring you the most detailed information on all aspects of the country. The book contains maps, colour photos, bird's eye illustrations and detailed walks and tours that will help you get the most out of your visit. This guide is more in-depth, more detailed and better organised than any other available. It is heavily illustrated, including maps, illustrations and colour photographs. The practical information section includes a very accurate and full list and description of hotels and restaurants as well as information on how to get around, hints for shopping, nightlife, local customs, and much, much more! Montenegro is written and published by a team of experts on the region, experienced in producing successful and thought-provoking tourist guides.

About the Author Vladimir Dulovic, a local historian specialising in the Balkans, is already the author of the best-selling guide to Serbia and the best-selling guide to Belgrade. His comprehensive knowledge of the history and character of Montenegro, and his tireless work in gathering information will give the reader a unique perspective on the land, its people and their customs.
