Ben Westwood : Moon MapGuide London before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon MapGuide London:

Moon MapGuide London puts the best that London has to offer at your fingertips. This compact guide puts the essentials of London's must-see neighborhoods on discreet fold-out maps, helping you navigate the city without looking like a typical tourist. Colored tabs make it easy to quickly flip to the location and activity you want. Find exactly what you're looking for—whether that's walking the boards of Shakespeare's Globe Theater, ordering aged Scottish steaks at The Guinea Grill, watching the changing of the guard at Buckingham Palace, or discovering the secret history of London on a guided walking tour—without wading through what you don't need. Moon MapGuide London covers the following areas: Bloomsbury Camden The City Kensington and Knightsbridge Notting Hill Marylebone South Bank Westminster Mayfair Islington Using Moon MapGuide London: Two Ways to Navigate: Scan the map to find locations in your area to visit or explore, or browse listings to find a specific place you want to visit. Orientation Essentials: Landmarks, shopping districts, and Metro stops are always prominent on the map, so it's easy to get your bearings. Color-Coded: Color grid coordinates pinpoint locations on each map, eliminating time-consuming searches.
