Jennifer Chater, Nathan Toohey : Moon Moscow and St. Petersburg (Moon Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Moscow and St. Petersburg (Moon Handbooks):

Moscow-based journalists and editors Nathan Toohey and Jennifer Chater use their experience living in St. Petersburg and as Moscow locals to divulge the mysteries of an area hidden from the Western world for nearly 70 years, from exploring Moscow's 24-hour nightlife, museums, festivals and shopping districts to traversing St. Petersburg's canals, palaces and imperial architecture. Toohey and Chater provide suggestions for travelers combining both cities in one

visit, along with itinerary ideas, such as a Soviet Flashback in Moscow and the Imperial Grandeur of St. Petersburg. Moon Moscow and St. Petersburg is packed with information on dining, transportation, and accommodations. Complete with details on where to take a troika ride, play billiards, or purchase sundries from street traders, Moon Moscow and St. Petersburg gives travelers the tools they need to create a more personal and memorable experience.
