Katharina Feuer, Irina Chipova : Moscow Architecture Design (And Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moscow Architecture Design (And Guides):

For a decade, Moscow has enjoyed an enormous building boom that is creating architecture just as bright and diverse as the metropolis itself?????????????from minimalism to color-happy post-modernism, from deconstructivism to neo-classicism?????????????everything is on offer. This and: guide features highlights of Moscow's architecture and design and introduces the best restaurants, shops and hotels. The guide includes a city map, addresses and Internet sites.
