From Brand: Insight Guides : Moscow (Insight City Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Moscow (Insight City Guides):

3 of 3 people found the following review helpful. A really great guide By C. Ingram I'd already traveled to Moscow 10 times or so before I bought this guide. However, it showed me places to go and things to do in a great, logical manner with really nice color pictures to go along with it. The maps were helpful. Included info on Metro stops. A friend of

mine who also travels on company business to Moscow bought the same book independently. We both thought it was a really great guide. BUY IT!
