Very helpful if you want to learn about the country, its past from the very beginning. Current events in the news fail to give a good picture of this great nation. I felt it is worth spending my dollars and my time reading the stories, descriptions and nice pictures. 4 of 4 people found the following review helpful. Great Pre-Trip Reading By Betty Zimmerman This book is providing me with the history and travel information I need as I prepare for a St Petersburg to Moscow river cruise. It is easy to read, well organized, and the pictures are beautiful.
