before purchasing it in order to gage whether or not it would be worth my time, and all praised Moscow, St. Petersburg, Kiev: The Complete Guide with Short Excursions (Fodor's Travel Guides):

1 of 2 people found the following review helpful. Need Info on Kiev By Reba Williams The material was somewhat useful, but I was very disappointed the the guide was a 1994 edition. The guide was so out of date (9 years old) that it did not provide the information that I wanted. I was also very disappointed that would allow such an old edition to be sold on their web site. It was a used book but there was no indication that it was so old when I ordered it. Reba B. Williamsrebajoe@aol.com
