AA Publishing : Motorist's Atlas Britain 2017 before purchasing it in order to gage whether or not it would be worth my time, and all praised Motorist's Atlas Britain 2017:

This A4 format spiral bound road atlas provides super-clear mapping at 4 miles to 1 inch, from the experts at the AA. Each page has been titled with its geographical location so you can turn to the page you need more easily. Static speed camera locations with speed limits are pinpointed. Wide minor roads (more than and less than 4m wide), National Trust, English and World Heritage, crematorium locations, and other hard-to-find places are also shown. Plus, there are 72 city, town, and port plans, and a comprehensive 31,500 entry index with airports, top tourist sites, and motorway services listed. Plus, scenic routes, tourist sites, and caravan and camping sites symbolized on the mapping.
