Verlag Vertrieb : Mozart Bicycle Trail (Ger-Austria) 1:50K (Cycline) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mozart Bicycle Trail (Ger-Austria) 1:50K (Cycline):

2 of 2 people found the following review helpful. Excellent guideBy K. FeuchtThis guide is part of a large set of guides, mostly published in German, that give details of various bicycle routes in Germany and Austria. They are extremely helpful in planning touring cycle trips in Europe. I wish similar guides would be published for the United States. For those who can read German, guides for various river routes can be obtained from .de and are most helpful.

Salzkammergut, Chiemgau and Tyrol. These three regions along the Austrian-German border dazzle with stunning landscapes, verdant Alpine pastures, meadows filled with wildflowers, crisp clean air and refreshing lakes. The lively city of Salzburg, hometown to Wolfgang Amadeus Mozart, offers an outstanding base from which to explore these regions. This bicycle touring guide includes detailed maps of the countryside and of many cities and towns, precise route descriptions, information about historic and cultural sites as well as background information and a comprehensive list of overnight accomodations.
