This is the worst guide I have ever been misfortunate enough to buyBy Elizabeth Ray-SchroederThis is the worst guide I have ever been misfortunate enough to buy. It has no maps, photos nor does it make any sense. It is printed so poorly, there are entire pages with just one or two words. Don't waste your time on this pathetic guide.

Anne Frank House, Van Gogh museum, Rijksmuseum, Rembrandt House, Red light district, 100 km of canals and 1500 bridges. Amsterdam is great. Amsterdam is small. Most of the attractions are within walking distance. But don't get lost! This handy reference book shows you the way. You don't need expensive buses, trams, taxis or the subway. Just walk. In this reference book: route, address, opening times and prices of dozens of attractions in the center of Amsterdam. Just put it in your bag and enjoy your holiday!
