F. T. Cheng : Musings of a Chinese Gourmet before purchasing it in order to gage whether or not it would be worth my time, and all praised Musings of a Chinese Gourmet:

This book, written in the early 1950s by a former Chinese ambassador to London, is a cultured and entertaining view of the gastronomic side of Chinese life. F.T. Cheng sets out to show Westerners that there was a lot more to Chinese food culture than chop suey. It is a wonderful reminder of the richness and depth of Chinese culture from a man who

also completely understood the West.
