From Brand: Thomas Cook : Must-See Rome before purchasing it in order to gage whether or not it would be

worth my time, and all praised Must-See Rome:

Make the most of your short stay in Rome. This guide leads you through the best areas of the city, so you don't waste a minute of your holiday. It reveals the must-see sights, plus the best restaurants and cafés, best shops, activities and entertainment. This guide includes eight sections covering the key areas of Rome. Attractive maps pick out the highlights of each area. Guides to the major sites and the best shops, clubs and cafés, street by street are also listed. In addition, it reveals where to stop for a beer or coffee, and where to experience the flavor of the city. Profiles feature subjects of local interest.
