**Connor Bailes : My Cyprus: A Tourist's Guide to Cyprus** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Cyprus: A Tourist's Guide to Cyprus:

An extensive and autobiographical tour guide for Cyprus had been needed in the book market. Here's your tour guide for everything Cyprus has to offer. I have made this informative as possible, offering my own views as a tourist and

showing historical facts that made Cyprus today. I spent time in Cyprus finding different attractions and important information that tourists would require. This is a useful guide and doesn't include unnecessary information. This book also has an autobiographical approach, I have visited all of these areas more than once, so my opinion is offered. This book talks about various shopping malls, my experience crossing the North and South divide, my experience near the forbidden ghost town and my experience of the spectacular views. I have included important information such as bus times, car rentals, restaurants, attractions and everything you need.
