Susan Allen Toth : My Love Affair with England before purchasing it in order to gage whether or not it would be worth my time, and all praised My Love Affair with England:

Journalist and memoirist Susan Allen Toth brings her special England vividly to life as she recalls her many trips there

over the years, where she explored the countryside, traveled both second-class and in luxury, theatre-hopped, hunted for ghosts, and honeymooned. Humorous, bittersweet, and wonderfully eccentric, this is a delightful remembrance to be savored by those who love to travel or just dream of it."I love MY LOVE AFFAIR WITH ENGLAND. It is written clearly and with a understanding that far supasses any feeling of condescension or superiority or general quaintness among the natives, all of which I detect in books about other countries."M.F.K. Fisher
