Terhi Ainiola : Names in Focus: An Introduction to Finnish Onomastics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Names in Focus: An Introduction to Finnish Onomastics:

This book delves deep into the vast field of Finnish onomastics, covering place names, personal names, animal names, commercial names and names in literature. It provides the history and current trends in this area of research, and also supplements international terminology with the Finnish point of view on the subject. Brimming with examples and

clear explanations, the book can be enjoyed by the most adamant of researchers or those who just have a genuine interest in the study of names.
