Cary Hazlegrove : Nantucket: The Quiet Season before purchasing it in order to gage whether or not it would be worth my time, and all praised Nantucket: The Quiet Season:

0 of 0 people found the following review helpful. Great book, very informative and enjoyable.By C Lynn PI really enjoyed reading this book and learning more about the beautiful places in my neighboring state. As a lifelong New Englander is sad for me to say that I have never been to Nantucket, but I do plan to visit there sometime in the next 12 months. Reading this book makes me think it might be nice to go in the Fall or Spring before all the herds of tourists descend upon the quiet and solitude. The off-season might be a bit reserved for some, but as a retiree' I enjoy some peace and quiet and have always liked ALL the seasons here in the Northeast. Nantucket is on my bucket list!0 of 0 people found the following review helpful. Five StarsBy Paige MitchellGreat Book0 of 0 people found the following review helpful. Fall and winter are my favorite seasons. Nantucket - The Quiet Season helps me ...By barbara phillipsFall and winter are my favorite seasons. Nantucket - The Quiet Season helps me to remember these scenes, since I now live in Nevada.

With more than a million visitors a year, Nantucket is a famed getaway, but only a few natives can attest to its mystic beauty in the fall and winter months. Among them is Cary Hazlegrove, whose Nantucket: The Quiet Season is the stunning follow-up to her celebrated Nantucket: Seasons on the Island. With Hazlegrove's signature photographs and evocative quotes from residents, this book captures what tourists rarely see: the island's hushed off-season life.

Holiday hearths and cheery shopfronts provide warm refuge from chilly bogs and snow-blanketed dunes, revealing an island winter wonderland. With over one hundred images and a foreword by best-selling author Nathaniel Philbrick, *Nantucket: The Quiet Season* offers a unique view of the island, allowing all to enjoy its multifaceted charm year-round.

About the Author Cary Hazlegrove has called Nantucket home for over half her life, and her images of the island have been published extensively in magazines and books, including *Weekends for Two in New England* (0-8118-0857-2), and *Nantucket: Seasons on the Island*. Nathaniel Philbrick is a leading authority on Nantucket's history and the author of several books, including *In the Heart of the Sea*. He lives in Nantucket.
