Marco Polo Travel Publishing : Naples Amalfi Coast Marco Polo Guide (Marco Polo Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Naples Amalfi Coast Marco Polo Guide

(Marco Polo Guides):

0 of 0 people found the following review helpful. Very General InformationBy sandra kI was disappointed with this guidebook since it contained no city maps except for Naples. While a few sights were mentioned for each city/area, there were few directions on how to get to them. More space was devoted to touting hotels, restaurants and shops. The city of Salerno only rated one page including the hotel and restaurant listings! Save your money and choose another guidebook that will be of use!
