Known as Florida's crown jewel, Naples is located on the sun-drenched, southwest Gulf Coast of Florida. With its shimmering sugar-white sand beaches, placid surf and glistening blue skies, discriminating travelers consider it a premier resort destination. Being in Naples is the closest to experiencing all that is imagined as paradise due to its idyllic climate. Immerse yourself in the wonder of all that is Naples as seen through the lens of expert photojournalist

Randall Perry and through the voice of narrator Jean Amodea.
