The beautiful city of Naples.By JustinItaly has always been in my bucket list, Naples in particular. It is such a beautiful place to visit and just relax and unwind. This book has given me a lot of really good insights on the city and what to do to be able to really enjoy your vacation should you have the chance to visit. With this book as a guide you would almost feel like a local and be able to go through the in's and out's of Naples. I am most excited about tasting their local cuisine.
