Nick Bruno : Naples the Amalfi Coast: Full color regional travel guide to Naples the Amalfi Coast (FootprintItalia) before purchasing it in order to gage whether or not it would be worth my time, and all praised Naples the Amalfi Coast: Full color regional travel guide to Naples the Amalfi Coast (FootprintItalia):

1 of 1 people found the following review helpful. Not a bad guide for Naples, not so much for the Amalfi CoastBy ArlingtonWahooWhile the book says it covers the Amalfi Coast, it is primarily a Naples book. The maps and info for the coastal cities are very limited so they were not much help. The book does have very good sections on Pompeii and Herculaneum though, which we used for self guided tours of those sites (they do not hand out maps unless you pay for the audio tour where the confiscate your passport as collateral). The maps and info was very detailed for each of those.

Covers Naples and the Amalfi coast, including the Phlegrean Fields, Pompeii, Herculaneum Vesuvius, the Sorretine Peninsula Amalfi coast, Capri, Ischia, and Procida.

About the Author Nick Bruno is Anglo-Italian, a journalist and travel writer born and brought up in Islington, North London. He has lived in Naples, Venice, Manchester and Dundee and travelled all over. The childhood high of stumbling around in a fibreglass, orange alien suit on a Shepperton Studios moonscape, for a Milky Bar advert, has been hard to eclipse though.
