Duncan Garwood, Josephine Quintero : Naples the Amalfi Coast (Lonely Planet Naples the Amalfi Coast) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Naples the Amalfi Coast (Lonely Planet Naples the Amalfi Coast):

3 of 6 people found the following review helpful. As reliable as ever By Jools I've always used Lonely Planet's guidebooks when I travel. I used the Amalfi Coast one when I was there this summer. It provided the necessary travel information and the format makes for easy reference. The hotel recommendations are also very helpful.

Lonely Planet City Guides are written by authors with a knowledge of the city. They are streetwise guides with a strong design and focus. They feature insights into history, culture and city life, with opinionated reviews.
