It is marvelous in terms of history but if you find yourself wondering into an interesting city and would like to know what the By John T This publication is of nominal value for a visitor who wants to have the benefit of insights that allow them to prioritize their time. It is marvelous in terms of history but

if you find yourself wondering into an interesting city and would like to know what the authors really think about the quality of a museum or a relic or, for that matter, the countryside, you can essentially kiss it off. All in all, if you buy this read it and leave it home after you take some notes because you will, in essence, be carrying dead weight. 0 of 0 people found the following review helpful. Good info but there are better guides available By William T The information is good but I do not care for the format of the book and to be honest I really expected more photos and visual aids from National Geographic. When comparing it to the DK guides, DK wins hands down for an easier to navigate travel guide 0 of 0 people found the following review helpful. Five Stars By Leta Love it!

Experience Croatia's hot spots and lesser-known destinations—from central Croatia's castles to the Dalmatian Coast's beaches and islands to mouth-watering food markets and small boutiques along the way. Special sidebars tell you how to study the Croatian language, take in a soccer match, study falconry near Sibenek, and volunteer to help the endangered griffon falcons on the island of Cres, among other experiences. Insider tips provided by an array of National Geographic experts—photographers, writers, and grantees who have spent significant time in Croatia—direct you to favorite restaurants, festivals, and other information that only locals know. Guided walks and drives and an extensive Travelwise section with hotels, restaurants, and tour recommendations hand-picked by the author are also included. Aimed at active travelers who want authentic, enriching, cultural experiences and expert advice from a trustworthy source, National Geographic Travelers provide ways for people to experience a place rather than just visit, and give the true feel of each destination not easily found online.

About the Author RUDOLF ABRAHAM is an award-winning travel writer and photographer whose love of travel and remote places has taken him from the Adriatic to eastern Turkey, Central Asia to Patagonia. He attended art school, majoring in photography, and completed a master's degree in art history. He first visited Croatia in 1998, lived in Zagreb from 1999-2001, and continues to make several trips a year to his favorite country in Europe.
