Rudolf Abraham : National Geographic Traveler: Croatia before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Geographic Traveler: Croatia:

14 of 14 people found the following review helpful. Fantastic Guide, especially for the adventurous By Shopper This guide has been incredibly helpful in planning our vacation to Croatia. The guide is especially helpful for people who like outdoor activities - hiking, biking, walking tours, kayaking, etc. In addition to providing the reader with excellent

recommendations for outdoor activities, the writer also provides details and descriptions of cultural experiences - touring museums and ruins as well as participating in local festivals. The guide has a fairly extensive list of recommended places to stay, eat, and visit for all types of budgets. The writer knows Croatia inside and out. Finally, the guide is very recent, so it is likely to have the most recent information available. Great buy! 3 of 3 people found the following review helpful. Loved the book, disliked the printing. By D. J. Wilson. Book has lots of good information, lovely photos, etc. The reason I gave it 3 stars is because the print is very small and very light. Not easy to read for these aging eyes, especially without bright light.

The relaunched National Geographic Traveler guidebooks are in tune with the growing trend toward experiential travel, providing more insider tips and expert advice for a more authentic, cultural experience of each destination. These books serve discerning, curious travelers and supply information and interpretation not available on the Internet. In response to the interests of today's traveler, the acclaimed National Geographic Traveler series includes exciting new editorial features, a contemporary redesign, and inviting new covers.

About the Author: Rudolf Abraham is an award-winning travel writer and photographer whose love of travel and remote places has taken him from the Adriatic to eastern Turkey, Central Asia to Patagonia. He attended art school, majoring in photography, and completed a master's degree in art history. He first visited Croatia in 1998, lived in Zagreb from 1999-2001, and continues to make several trips a year to his favorite country in Europe. His other books include *Walking in Croatia*, *The Mountains of Montenegro*, and *Torres del Paine: A Trekker's Guide*. Rudolf is a member of the Outdoor Writers and Photographers Guild and the British Guild of Travel Writers. He lives in London.
