Tim Jepson : National Geographic Traveler: Naples and Southern Italy, 2nd edition before purchasing it in order to gage whether or not it would be worth my time, and all praised National Geographic Traveler: Naples and Southern Italy, 2nd edition:

1 of 1 people found the following review helpful. Great introduction to southern Italy
By John R Saccardi This is a great little book for introduction to southern Italy. Like all National Geographic books, it has outstanding photography and is great for understanding highlights in the area.
0 of 5 people found the following review helpful. Not useful to me
By Barbara Cummings It didn't have what I was looking for my my trip to these areas this summer.
6 of 7 people found the following review helpful. an excellent buy
By DeeX This is a great book. I borrowed it from my library first and then had to have my own copy. Great glossy pictures. Great suggestions. A great buy.

The relaunched National Geographic Traveler guidebooks are in tune with the growing trend toward experiential travel, providing more insider tips and expert advice for a more authentic, cultural experience of each destination. These books serve discerning, curious travelers and supply information and interpretation not available on the Internet. In response to the interests of today's traveler, the acclaimed National Geographic Traveler series includes exciting new editorial features, a contemporary redesign, and inviting new covers.
