Mark Richards : Near Eastern Fells (Lakeland Fellranger) before purchasing it in order to gage whether or not it would be worth my time, and all praised Near Eastern Fells (Lakeland Fellranger):

"Lakeland Fellranger" is a comprehensive, up-to-date guide to every path, crag, fell and valley in the Lake District. This text covers the Near Eastern Fells. The series combines the best of the Wainwright guides - the traditional feel of

the pen and ink sketches and the personal touch of hand-drawn maps - with the desires of the 21st-century walker - accurate maps and directions and inspirational colour photographs - all packed into an easy-to-use, portable format.

About the AuthorMark Richards lives in Cumbria, on the fringe of the Lake District and has written a series of Fellranger guides covering the region, as well as Great Mountain Days in the Lake District. He has also written a guide to Hadrian's Wall, and several to the Peak District in England.
