ITM Canada : Netherlands 1:275,000 Travel Map (International Travel Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Netherlands 1:275,000 Travel Map (International Travel Maps):

0 of 0 people found the following review helpful. Must have for European TravelBy Henry GarciaThe map details and colors are very helpful. The best feature for me is the tourist information it offers for better travel. I will only use these maps for my European travels.

Very detailed road and travel map, scale 1:275,000, includes an inset map of central Amsterdam and a comprehensive name index on the reverse. Distinguishes roads ranging from motorways to secondary roads. Legend includes restaurants, hotels/motels, European road numbers, toll roads, railways, stations, places of particular interest, cultural sites of particular interest, landscapes of particular interest, scenic views, routes with beautiful scenery, tourist routes, tourist trains, National Parks/natural parks, airports/regional airports, churches, monasteries, archeological excavations, camping sites, youth hostels. Precise cartography by German Autoclub.

About the AuthorITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.
