Very Good, close to Near Fine. See scans and description. Den Haag (The Hague), Netherlands: NV Falkplan/CIB for Royal Dutch Shell (Shell), undated but circa 1970 (purchased in the Netherlands in 1974). In Dutch. An expansive - 44" x 38" - 'Grote Autokart' (Large Roadmap) of the Netherlands, one side with the entire country depicted at 1:250,000 scale, the reverse offering closer-scale city/regional maps. Very Good, and then some; just a bit short of near fine. Folded, at 36-fold. Several very modest edge nicks, other minor signs of use, but no notable damage. See scans and photographs. LPR22
