Deborah Dekrem : New Places To Be: 100 Best Hotspots for Food, Drinks, Sleep Nightlife before purchasing it in order to gage whether or not it would be worth my time, and all praised New Places To Be: 100 Best Hotspots for Food, Drinks, Sleep Nightlife:

100 Belgian hotspots that excel in service, interior and conceptIndependent selection, beautifully designed What are the newest and hippest venues in Belgium to eat, drink and sleep? This book collects the addresses that have been

chosen carefully by the redaction of www.newplacestobe.com and shares them with the reader to discover the hidden gems, off the beaten track. As opposed to many restaurant websites, [newplacestobe.com](http://www.newplacestobe.com) provides a strict selection of places that match their objective standards. Text in English and Dutch.
