Fiona Dunlop : New Tapas: Culinary Travels With Spains Top Chefs before purchasing it in order to gage whether or not it would be worth my time, and all praised New Tapas: Culinary Travels With Spains Top Chefs:

Spain's most popular culinary tradition -- tapas -- is enjoying a renaissance. In *New Tapas*, travel writer Fiona Dunlop visits Spain's most creative young chefs in a tour of the distinct regions of the country, presenting simple dishes that represent the most tempting new food being served in Spain's top tapas bars and restaurants. Some of the dishes fuse traditional Spanish cuisine with international influences, while others are earthy, fresh and indisputably Spanish. All are easy to make -- the simplicity of ingredients and preparation belies their exquisite flavors. Recipes are arranged by region imparting a cultural understanding of this magnificent, passionate country and its favorite little dishes. 150

color photographs are included.
