Lara Cummings : Night+Day Madrid (The Cool Cities Series from Pulse Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Night+Day Madrid (The Cool Cities Series from Pulse Guides):

While Madrid may be known as a nightlife destination, this historic European city is also home to glorious museums,

superb restaurants, and enough upscale shopping to keep travelers occupied in the daylight hours, too. Packed with insider's advice and expert recommendations, this easy-to-use guide spotlights the city's best places to stay, eat, shop, and party 'til dawn.
