Nijmegen EventsBy David PrattThis is a good book if you've already read several overviews of the overall campaign and you'd like to learn more about what specifically happened in Nijmegen.

The 82nd Airborne Division fought some of its most desperate battles in support of the British landings at Arnhem, yet these actions are little known today. All of the units, personalities and actions of this hopeless struggle are covered in the acclaimed Battleground Europe style. This heavily illustrated work also contains a guide to the battle sites, monuments and local facilities as they are today.
