John MacLeod : No Great Mischief If You Fall: A Highland Experience before purchasing it in order to gage whether or not it would be worth my time, and all praised No Great Mischief If You Fall: A Highland Experience:

In his search for the modern Highland soul, the author probes the history of his forebears, and the lessons of their struggle in a bleakly honest account of heartbreak, anguish and betrayal. His book is also a threnody for old people and older ways.
