Collins Maps : Norfolk Broads (Collins Nicholson Waterways Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Norfolk Broads (Collins Nicholson Waterways Guides):

0 of 0 people found the following review helpful. Two Stars By CariM Returned it as it only covered very eastern waterways and not Cambridge, Ely, etc.

This guide covers the Norfolk Broads inland waterways including all sections of the rivers Yare, Bure and Waveney. It features waterway information overlaid onto a detailed Ordnance Survey base map, as well as information on locks, bridges, winding holes and towpaths, waterpoints and sanitary stations.

"few serious boaters will venture out without a Nicholson's Guide. There is a wealth of information...and the guides

are valuable for cyclists and walkers too." The Inland Waterways Association. About the Author Explore the world through accurate and up-to-date mapping.
