Phil Dvoskin : Normandy and Brittany: A Study in Lines before purchasing it in order to gage whether or not it would be worth my time, and all praised Normandy and Brittany: A Study in Lines:

1 of 1 people found the following review helpful. Beautiful book which captures the essence of Normandy Brittany.By Joellyn L. RossThe photos are beautiful and give the viewer a real sense of these places. The photos of the WWII memorials are especially moving.0 of 0 people found the following review helpful. and capture the cities beautifully. I feel like I'm in the photosBy Zoe NymanThese shots are more scenes than regular photos. colors are vivid, and capture the cities beautifully. I feel like I'm in the photos. beautiful collection of works of art.0 of 0 people found the following review helpful. Phil Dvoskin's PhotographyBy gary w. nyman, m.d.I bought this book for my daughter, a student @ SAIC. The photography captures shading, depth and texture magnificently. Linearity seems poetic at times...

A photographic springtime travel through Normandy and Brittany highlighting the architecture of the region.
