**Ordnance Survey : Northern England (OS Road Map)** before purchasing it in order to gage whether or not it

would be worth my time, and all praised Northern England (OS Road Map):

The OS Roadmaps series are single sided folded maps, the 8 maps provide GB 1: 250 000 coverage to enable the end user to navigate and plan their road journey. The maps include all motorways, primary routes and A roads plus detailed tourist information including National Parks, Country Parks and World Heritage sites and a useful town and city gazetteer. The eight maps in the series are Northern Scotland, Orkney Shetland, Western Scotland and the Western Isles, Southern Scotland and Northumberland, Northern England, East Midlands and East Anglia, Wales/Cymru and West Midlands, South West England and South East England.
