From Marco Polo : Norway (Marco Polo Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Norway (Marco Polo Travel Guides):

Marco Polo maps feature completely up-to-date, digitally generated mapping. The high quality cartography with distance indicators and scale converters aid route planning. The extensive coverage of the maps enables travellers to cross country boundaries with the same map. A fold-out overview map is ideal for route planning and 7 self-adhesive Marco Polo mark-it stickers can be used to pin-point a destination or route for future reference. Scenic routes and places of interest are highlighted - ideal for touring holidays. The maps also contain a comprehensive index and inset street plans of major cities. Map Scale - 1 : 800 000

From the Inside FlapMarco Polo maps feature completely up-to-date, digitally generated mapping. A fold-out overview map is ideal for route planning and 7 self-adhesive Marco Polo mark-it stickers can be used to pin-point a destination or route for future reference.
