W. M. Thackeray : Notes of a journey from Cornhill to grand Cairo by way of Lisbon, Athens, Constantinople, and Jerusalem: performed in the steamers of the Peninsular and Oriental Company before purchasing it in order to gage whether or not it would be worth my time, and all praised Notes of a journey from Cornhill to grand Cairo by way of Lisbon, Athens, Constantinople, and Jerusalem: performed in the steamers of the Peninsular and Oriental Company:

Leopold Classic Library is delighted to publish this classic book as part of our extensive collection. As part of our ongoing commitment to delivering value to the reader, we have also provided you with a link to a website, where you may download a digital version of this work for free. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. Whilst the books in this collection have not been hand curated, an aim of our publishing program is to facilitate rapid access to this vast reservoir of literature. As a result of this book being first published many decades ago, it may have occasional imperfections. These imperfections may include poor picture quality, blurred or missing text. While some of these imperfections may have appeared in the original work, others may have resulted from the scanning process that has been applied. However, our view is that this is a significant literary work, which deserves to be brought back into print after many decades. While some publishers have applied optical character recognition (OCR), this approach has its own drawbacks, which include formatting errors, misspelt words, or the presence of inappropriate characters. Our philosophy has been guided by a desire to provide the reader with an experience that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic book, and that the occasional imperfection that it might contain will not detract from the experience.

About the Author William Makepeace Thackeray was a nineteenth century English novelist who was most famous for his classic novel, *Vanity Fair*, a satirical portrait of English society. With an early career as a satirist and parodist, Thackeray shared a fondness for roguish characters that is evident in his early works such as *Vanity Fair*, *The Luck of Barry Lyndon*, and *Catherine*, and was ranked second only to Charles Dickens during the height of his career. In his later work, Thackeray transitioned from the satirical tone for which he was known to a more traditional Victorian narrative, the most notable of which is *The History of Henry Esmond*. Thackeray died in 1863.
