Collins UK : Nottingham, York the North East: Waterways Guide 6 (Collins/Nicholson Waterways Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nottingham, York the North East: Waterways Guide 6 (Collins/Nicholson Waterways Guides):

This popular guide covers the canals and waterways between York and the River Trent south of Nottingham. Color Ordnance Survey® maps clearly show locks, towpaths and boating facilities. There are also comprehensive

navigational notes as well as descriptions of the towns and villages, pubs and restaurants alongside the waterways.

"Taste in guide books can be a very personal thing, but few serious boaters will venture out without a Nicholson's Guide. There is a wealth of information that even the most experienced cannot hope to keep abreast of, and the guides are welcome valuable for cyclists and walkers too." The Inland Waterways Association. About the Author Explore the world through accurate and up-to-date mapping.
