Ordnance Survey : Oban, Kerrera and Loch Melfort (OS Explorer Active Map) before purchasing it in order to

gage whether or not it would be worth my time, and all praised Oban, Kerrera and Loch Melfort (OS Explorer Active Map):

OS Explorer is the Ordnance Survey's most detailed map and is recommended for anyone enjoying outdoor activities such as walking, horse riding and off-road cycling. The series provides complete GB coverage and can now be used in all weathers thanks to OS Explorer - Active, a tough, versatile version of OS Explorer. The OS Explorer Active range now includes a digital version of the paper map, accessed through the OS smartphone app, OS Maps.
