Plan : Oder River, Poland (from Wroclaw to Glogow) 1:75,000 Recreation Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Oder River, Poland (from Wroclaw to Glogow) 1:75,000 Recreation Map:

Poland's Oder River (from Wroclaw to Glogow) 1:75,000 Recreation Map Double-sided hiking, cycling and canoeing map of the middle part of the Oder river (between Wroclaw and Glogow) with its floodplain forests. The scale (1 inch = 1.2 miles) is suitable for hiking and cycling. The map shows marked hiking and cycling trails, equestrian trails and basic information for canoeing: weirs, river mileage, camp sites, water powerplants, etc. Also objects of the WW2 fortification are shown. Map legend is in Polish and German, a short guide on reverse is in Polish only.
