Charles Knight : Old England: A Pictorial Museum before purchasing it in order to gage whether or not it would be worth my time, and all praised Old England: A Pictorial Museum:

He's something of an Anglophile (I'm English) and taught me how to play the pipe organ, something I've always dreamed of. I thought this book would cover many topics of interest to him. Not only was it a 'coffee table book' - in his own words "it IS a coffee table"! The book is huge - much larger than I imagined! It was in excellent condition, and I was amazed at the speed the seller got it to me. Illustrations are great, information is wonderful. I was very pleased with my purchase and would highly recommend this seller.
