Even for me who knows this subject quite well there were many facts of which I had no clue.0 of 0 people found the following review helpful. greatBy woowoow exactly what I need. On time fast, exactly how they described the book. Easy to work with, communicated the whole time with me

With the former USSR becoming more accessible to climbers, skiers and trekkers, this book is a timely collection of classic writing about Europe's most neglected climbing area, opened up by men like Freshfield, Dent and Mummery. Audrey Salkeld is the author of "People in High Places", "The Mystery of Mallory and Irving" and editor of "One Step in the Clouds".
