**Enrico Massetti : One Day in Como from Milan (Italian Cities) (Volume 15)** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Day in Como from Milan (Italian Cities) (Volume 15):

This guide covers a one-day visit to Como, and to the Brunate funicular on Lake Como. Como - The Cathedral Begun in 1396, the Cathedral of Como is the last of the Gothic cathedrals built in Lombardy. In the three and a half centuries

it took on its definitive realization that appealed even if the dominant style is the original late Gothic-Renaissance. Basilica San Fedele The magnificent Romanesque Basilica of San Fedele in Como, built around 1120 on early medieval foundation, stands the charming Piazza San Fedele was medieval commercial center and home of citizens of the grain market. The church contains fragments of frescoes from the fourteenth century and paintings of the sixteenth and seventeenth century. There are extensive descriptions and photos of the attractions to use during your visit. The guide is ideal for use on your smart phone or your tablet, it contains active links to the web sites of train companies.

About the Author Enrico Massetti was born in Milano. Now he lives in Washington DC, USA, but he regularly visits his hometown, and enjoys going around all the places in his home country. Enrico can be reached at [enricomassetti@msn.com](mailto:enricomassetti@msn.com).
