From Philip's OS Publications : Ordnance Survey Edinburgh and East Central Scotland Street Atlas (Ordnance Survey/ Philip's Street Atlases) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ordnance Survey Edinburgh and East Central Scotland Street Atlas (Ordnance Survey/

Philip's Street Atlases):

A street atlas of Edinburgh and East Central Scotland, with detailed monochrome mapping at a scale of 3.5 inches to one mile. It also includes information on hospitals, police stations, schools and other places of major significance, an index of street names and an index of towns and villages.
