W. Mykura, Walter Mykura : Orkney and Shetland (British Regional Geology) before purchasing it in order to gage whether or not it would be worth my time, and all praised Orkney and Shetland (British Regional Geology):

0 of 0 people found the following review helpful. Five StarsBy Scott L. ManskeA good overview of the general geology of this region, written for those with a technical background.0 of 0 people found the following review helpful. Five StarsBy donald dj nuccioGreat maps and explanations

Regional Geology Guides provide a broad view and interpretation of the geology of a region.
