visitscotland.com. Save your money. By cp20ny Not really very useful. There are far better descriptions of places and walks on Scotland tourist sites. There are so unique insights here. And if tyou are seeking lodging and restaurants, you'd get much better information on Tripadvisor.com. No point bringing this with me on my trip. 0 of 0 people found the following review helpful. ... visited the Orkney but it was well covered and great detail.
