World Tourism Organization (UNWTO) : Outbound Tourism of the Republic of Korea - Market Profile (Market Intelligence and Promotion Section Madrid) before purchasing it in order to gage whether or not it would be worth my time, and all praised Outbound Tourism of the Republic of Korea - Market Profile (Market Intelligence and Promotion Section Madrid):

For tourism product development and the promotion of destinations in nowadays-competitive age it is necessary to achieve a clear profile of the travel behavior and preferences of actual and potential clients. This is the aim of these reports which provide a sound basis of information on outbound tourism from the respective countries. They focus on the characteristics of outbound travel, give significant information on the generating markets and describe the target group profiles. These reports have become an essential and valuable tool for both the public and private sector in destinations interested in or receiving tourists from these markets as well as for the travel industry in these generating countries. Outbound Tourism reports are available for: Republic of Korea (published May 2000) Australia (published October 2000) Japan (published December 2000) Belgium (published April 2001) Results 2000 for Japan and the Republic of Korea (published October 2001) Spain (published November 2001)
