Graham Byfield : Oxford Sketchbook (Sketchbooks S.) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oxford Sketchbook (Sketchbooks S.):

4 of 4 people found the following review helpful. As travel sketchbooks go, this one is a joy...By Cathy Johnson (Kate) Beautiful work in a fascinating part of the world--I've gotten Byfield's book out over and over and felt I was almost there beside him...
