Dimap : Padis Karst (Romania) 1:30,000 Hiking Map DIMAP before purchasing it in order to gage whether or not it would be worth my time, and all praised Padis Karst (Romania) 1:30,000 Hiking Map DIMAP:

Padis Karst (Romania) 1:30,000 Hiking Map Padis area hiking map at 1:30,000 covers the highly attractive karst region of Padis in the Bihor Mountains. It has contours at 50m intervals and highlights several local footpaths and trails indicating their waymarking signs. Symbols show local hotels, campsites, and mountain huts, springs and waterfalls, caves and rock faces, places of interest, etc.. The map shows local hiking routes and provides tourist information such as campsites, places of interest, etc. Three small insets show the Galbenei and Somesului Cald gorges and the Ponorului depression at enlarged scales. The map has no geographical coordinates. On the reverse is a black and white road map at 1:400,000 showing the surrounding region and notes, in Romanian, Hungarian and English, describing the area and the various hiking routes. Map legend includes English. This map is a part of a series of detailed contoured maps covering popular hiking areas of Transylvania (Romania) published by Dimap, the leading publisher specializing in mapping mountains of Romania.
